## ELECTRONIC JOURNALS

### What is an electronic journal?

An electronic journal is a periodical publication which is published (either free of charge on the internet (open access journals) or by subscription) in electronic format.

### Which electronic journals does the HOU Library subscribe to?

The collection of electronic journals of the HOU's Library includes:

- a large number of electronic journals (>10,000 titles) that are located on the [Heal-Link](#) portal, which is accessible to the Library as a member of the Association of Greek Academic Book Libraries (HEAL-LINK). Through Heal-Link access is ensured the full text of international electronic journals of major publishing houses such as ACM, Cambridge University Press, Elsevier, IEEE, Kluwer, Oxford University Press, Springer, Taylor & Francis, Wiley, etc.
- **subscriptions of the Library** covering the subjects of the four (4) Faculties of the University (Humanities, Social Sciences, Science and Technology, Applied Arts and Sustainable Design).

### How can I search all the Electronic Journals that library has access to with just one search?

I search the [Single Search Service in the Electronic Sources of the Library - Summon Discovery Service](#), with a key word in English mainly (the majority of the sources are in English) to locate e-sources related to my subject and I press the search lens:

In the results, I get a plethora of results. I should limit the results with the filters given to me on the left screen by selecting from Advanced Search the "Full Text Online", from the Content Type the "Journal Article" and from the Discipline I select "Education".

The screenshot shows a search interface with a left sidebar and a main results area. In the sidebar, under 'ΣΥΝΘΕΤΗ ΑΝΑΖΗΤΗΣΗ', 'Πλήρες κείμενο Online' is selected. Under 'CONTENTTYPE', 'Άρθρο περιοδικού (3.063.253)' is selected. Under 'DISCIPLINE', 'education (7.823.744)' is selected. The main results area shows two items: 1. 'THE EFFECT OF EXCHANGE OF KNOWLEDGE METHOD ON STUDENTS' ACHIEVEMENT IN PROPERTIES OF WHOLE NUMBERS' by Karakas, Rezan, dated 02/2011. 2. 'Education' subject guide by Gwen Vredevoogd, dated 10/2018.

Automatically, the results are limited only to electronic journals that have a full PDF article and are purely related to Education.

The screenshot shows a search interface with a left sidebar and a main results area. The top of the main area shows '651.211 results sorted by relevance'. The sidebar filters are the same as in the previous screenshot. The main results area shows three items: 1. 'EDUCATION' by Tom Butters, dated 01/2020. 2. 'EDUCATION' by de Waal, Kit, dated 12/2020. 3. 'Education' by Bauvhian, Nikki.

Similarly, I can use more filters on the left to limit the results even more by selecting from the publication date "Last 3 years" in order to have the results of the last three years' publications.

## How can I search for an article in the Library's Electronic Resources?

First of all, I search the Internet by typing the title of the article, so I find its other elements (magazine title, volume or issue, author, pages).

Then, to find out if there is access to the full text of the magazine in which the article is contained, I go to the Library's website in the section Electronic Resources:

A. By selecting "**Electronic journals**" I can see the titles of the journals that the Library has subscribed to in alphabetical order and per School.

Next, check whether the title of the magazine I am interested in, e.g. the journal of the School of Social Sciences entitled "International Journal of Tourism Policy".

B. Via "Heal-Link" where I am given the opportunity through the Quick Search Engine to write the title of the magazine (and not the title of the article) e.g. "Magement Learning" and search in order to locate the article I am interested in.

The screenshot shows the HEAL-Link website interface. At the top, there is a navigation menu with items: "Υπηρεσίες", "Ηλεκτρονικές Πηγές", "Εκπαίδευση χρηστών", "Ανοικτή Πρόσβαση", "Νέα", "Παραρτήματα", and "Επικοινωνία". The "Ηλεκτρονικές Πηγές" menu is expanded, showing options like "Βάσεις Δεδομένων", "Ηλεκτρονικά Βιβλία", "Ηλεκτρονικά Περιοδικά", "Θεματικές Πύλες", "Κλαδικές Μελέτες", "Heal-Link", "Έργο P.R.E.S.S.", and "Ηλεκτρονικό υλικό ελεύθερης πρόσβασης". Below the menu is a banner with the text "ΕΡΕΥΝΑ ΚΑΙ ΕΚΠΑΙΔΕΥΣΗ".

26.710	Μέλη	Βάσεις Δεδομένων	139.000

At the bottom, there is a search bar containing the text "management learning" and a button labeled "Αναζήτηση".

Alternatively, I can search for electronic journals in the following ways:

- by title
- by topic
- by publisher

This screenshot shows the HEAL-Link website with search filters applied. The "Ηλεκτρονικές πηγές" menu is expanded to show "Ηλεκτρονικά περιοδικά", "Ηλεκτρονικά βιβλία", and "Βιβλιογραφικές βάσεις & Βάσεις πλήρους κειμένου / Πληροφοριακό υλικό". The search filters are set to "ανά τίτλο", "ανά θέμα", and "ανά εκδότη/διαθέτη".

The statistics section shows:

No. of E-Journals	No. of E-books
17,100	129,000

At the bottom, there is a banner that says "20 years HEAL-Link".
